

## Back Home To You

All my friends say that I'm a fool for leaving you  
And I don't know what to do  
All my friends say that it aint cool cause Im hurting you  
Like I did like I do

Without your love I'd still be waitin'  
But I didn't wanna fall in love with someone else  
When I'm alone it's your appearance that I'm missing  
I don't want to be alone  
*(Be alone)*

*Now it feels like this ship out on the ocean  
We're two lonely souls lost at sea  
The shining water in the sun triggers my emotion  
And still there ain't no shore*

*Maybe tonight I will call  
Maybe tonight there will be something or anyone at all  
But maybe tonight I will fly right home to you*

*(maybe ... maybe ... maybe ... maybe ... maybe)*
